

Curriculum Intent Statement.

Our curriculum intent statement reflects the Christian ethos and vision statement of our school.

Value... Dream... Achieve...

As a loving Christian family, our aspiration is for all pupils to flourish, safe in the belief that we, "...can do all things through Christ, who strengthens us" Phil 4:13.

Everyone is valued, we all achieve and our dreams for the future begin.

Through our Christian Faith, we acknowledge our responsibility to all, to enrich lives and show love and respect within our school family and the wider world. We believe in lifelong learning aiming to equip our children to live life today and for tomorrow rooted in Christian love.

Intent:

Our Curriculum has been designed to ensure each and every child can 'live life in all its fullness' by offering stimulating and awe-inspiring learning experiences with Christian values at its heart.

It is bespoke to the needs of the pupils at Tarleton Holy Trinity, not only by focussing on appropriate subject specific knowledge, skills and understanding as set out in the National Curriculum, but by living out our Christian values and by developing individual and collaborative learning experiences; a positive growth mind set; a sense of resilience and responsibility and a desire to take learning beyond the classroom enabling pupils to see their potential to be lifelong learners.

We will develop independent, aspirational, outward looking pupils who are able to engage in learning about themselves and have an understanding of the wider world and its complexities- we want our pupils to be responsible, compassionate and valuable citizens of the world.

Ultimately our curriculum is intended to:

- Develop our head and body: ***What we learn.***
- Develop our hearts and character: ***Who we are.***
- Develop our actions and attitudes: ***How we live and learn.***
- Develop our moral compass: ***Where we fit in the world.***

Implementation:

Through inspirational Christian values-based worship and through quality teaching of knowledge, skills and vocabulary across core and foundation subjects, all children will be challenged to be inquisitive, compassionate, courageous and creative learners.

Through our enhanced curriculum we enable children to build strong relationships, celebrate diversity, encourage respect and build a sense of community.

They will have access to a rich and varied menu of enhancement opportunities to engage in learning and recognise individuality. Resilience, respect and responsibility will be developed through a wide range of sporting, creative and cultural opportunities.

Impact:

Our children will value and respect others in this diverse world. They will be confident ambassadors, making a positive influence to the world around them. They will have dreams and ambitions for the future and achieve this through being independent, resilient and caring learners; knowing in their hearts that 'We can do all things through Christ who strengthens us' (Philippians 4:13).
