Key Facts	Artists/sculptures/styles	
<p>'Art' does not always look the same. 'Art' can be made from different materials, shapes, sizes, forms, techniques etc. Art can be found in many places. (Books, streets, pictures, in the home, outside, in galleries, computers etc.) A person who creates artwork is called an artist. Artwork can be created independently or collaboratively. I can draw from my imagination (something that I have made up or changed). I can draw from observation (recreating a picture of something that is in front of me).</p>	<div data-bbox="1014 391 1305 624"> </div> <div data-bbox="1014 639 1113 683"> <p>Pop shop II, 1988 Silkscreen 12h x 15w in</p> </div> <div data-bbox="1014 715 1305 900"> </div> <div data-bbox="1328 347 1581 580"> </div> <div data-bbox="1328 596 1581 900"> </div>
