<ul style="list-style-type: none">Sing using the correct pronunciation and with increasing confidence.Play a chord with two notes, remaining in time.Maintain their part in a performance with accuracy.Play the more complicated rhythms in time and with rests.Create an eight beat break and play this in the correct place.	Blues music unit	Perform to rest of the class

Vocabulary

Chord

Two or more notes that are played at the same time and work in harmony.

Chord progression

A group of chords played in a particular order.

Major chords

A chord made up of three notes. Major chords are often described as happy chords.

Minor chords

A chord made up of three notes. Minor chords are often described as sad chords.

Break

When some instruments stop playing and others change the rhythm.

Call and response

A musical technique that is similar to a conversation. One phrase of music acts as the 'call' and is 'answered' by a different phrase.

A capella

Singing without any musical accompaniment.

Soloist

A musician or singer who performs on their own, known as performing a solo.

Duo

Two musicians or singers who perform together, known as performing a duet.
