<ul style="list-style-type: none">Education in some countries isn't as good as ours. This means that these children might not have as many opportunities to do jobs where you need a good education, such as being a doctor or vet.This might make these children think they cannot achieve these dream jobs, and they will settle for work that doesn't need an education.In this country my opportunities to do this are better because schools are better.It is unfair why going to school costs money in some countries. This means that many families can't afford to send their children to school if the parents have a low wage. IIn our country, education at school is free so all children have the opportunity to learn and get a good job if they want to.		<ul style="list-style-type: none">Identify what I would like my life to be like when I am grown upAppreciate the contributions made by people in different jobsAppreciate the opportunities that learning and education are giving me and understand how this will help me to build my futurereflect on how these relate to my ownAppreciate the similarities and differences in aspirations between myself and young people in a different cultureUnderstand why I am motivated to make a positive contribution to supporting others
