Homework and the Summer Curriculum 2021

Now that the children are well into the 'swing' of school again (after lockdown) and we have had a rest over the Easter Break, don't be surprised if the homework from some of the class teachers increases - we are especially targeting writing, reading and spellings at the moment!!

The teachers have all completed their topic letters for the summer term - and these are available to view on the School's website under the Curriculum section.

Swimming for Year 6 and Year 5

Tomorrow, is the last swimming session for Year 6 as the majority of the class can swim the required 25 metres, which they need to do by the time they leave Primary School. Next Wednesday (28th April) - we will revert to sending our Year 5 class for the rest of the term. Depending on how well Year 5 'get on' for the rest of the Summer Term will determine whether they need to continue when they are in Year 6. (It will be a 'watch this space' kind of situation.)

The children will need the following on a Wednesday:

A Bag for Life containing:

- One piece swimming costume / swimming trunks / swimming shorts (above the knee)
- Towel
- Swimming hat
- Goggles (a letter and form to give permission is on the School App)

As I said on the Newsletter last week, West Lancs Sports Partnership have carried out some very strict risk assessments and action planning to ensure that the children (and staff) are kept safe - in line with COVID 19 restrictions. Mark Forster and his team have done a fantastic job - thanks Mark!!
