## Part A: Pupil Premium Strategy Plan

### Statement of intent:

*At Tarleton Holy Trinity CE Primary School, we recognise that our disadvantaged pupils may have a range of needs and barriers to their learning. Through our personalised approach, we aim to remove those barriers to ensure equity of access to all learning, access to a relevant and enriching curriculum and wider curriculum so that they achieve their potential, believe in themselves developing confidence and their creativity in line with our THT approach.*

*Our pupil premium strategy aims to meet these objectives by ensuring pupils receive a quality first teach by a well-trained and thoughtful teacher, targeted academic support that is grounded in evidence and tailored to individual need as well as identifying and implementing wider strategies that will ensure fairness and a balanced playing field in the opportunities they can learn from and grow from.*

*Our key principles of our strategy plan are:*

- Every child has access to a highly trained, well informed teacher to receive quality first teaching*
- Every child has access to an engaging, balanced and well-structured curriculum that meets their needs, allowing them to retain knowledge and develop skills so they learn more and remember more*
- Every child can achieve their academic potential from their starting points through targeted support if needed*
- Every child can grow as an individual through the provision of targeted opportunities and life experiences*
- Every child has the opportunity to develop skills and interests to find out what makes them extra-ordinary on their life's learning journey*
