## **Part A: Pupil Premium Strategy Plan**

### **Statement of intent:**

*At Tarleton Holy Trinity CE Primary School, we recognise that our disadvantaged pupils may have a range of needs and barriers to their learning. Through our personalised approach, we aim to remove those barriers to ensure equity of access to all learning, access to a relevant and enriching curriculum and wider curriculum so that they achieve their potential, believe in themselves developing confidence and their creativity in line with our THT approach.*

*Our pupil premium strategy aims to meet these objectives by ensuring pupils receive a quality first teach by a well-trained and thoughtful teacher, targeted academic support that is grounded in evidence and tailored to individual need as well as identifying and implementing wider strategies that will ensure fairness and a balanced playing field in the opportunities they can learn from and grow from.*

*Our key principles of our strategy plan are:*

- Every child has access to a highly trained, well informed teacher to receive quality first teaching*
- Every child has access to an engaging, balanced and well-structured curriculum that meets their needs, allowing them to retain knowledge and develop skills so they learn more and remember more*
- Every child can achieve their academic potential from their starting points through targeted support if needed*
- Every child can grow as an individual through the provision of targeted opportunities and life experiences*
- Every child has the opportunity to develop skills and interests to find out what makes them extra-ordinary on their life's learning journey*

## Challenges:

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number:	Detail of challenge:
1	Increasingly, families are struggling financially due to the cost of living crisis, therefore some children have limited enrichment experiences.
2	Attainment in Writing is below that of their peers and previous national comparators.
3	Attainment in Mathematics is below that of their peers and previous national comparators.
4	Well-being reflects that pupils need to further develop resilience and confidence when challenged in their learning.

## Intended Outcomes:

This explains the outcomes we are aiming for by the end of our current strategy plan, and how we will measure whether they have been achieved.

Intended outcome:	Success criteria:
A higher proportion of disadvantaged pupils are working at age related expectations in Writing.	<ul style="list-style-type: none"><li>- A higher proportion of disadvantaged pupils are working at age related expectations in Writing.</li><li>- Each cohort of disadvantaged pupils make at least expected progress</li><li>- 100% disadvantaged pupils make good progress</li></ul>

## **Part B: Review of Outcomes in the Previous Academic Year (2022-2023)**

### **Pupil Premium Strategy Outcomes:**

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

<b>Desired Outcomes:</b>	<b>Success Criteria:</b>	<b>Further Evaluation:</b>
A higher proportion of disadvantaged pupils use Tier 3 vocabulary in their spoken and written work.	<ul style="list-style-type: none"> <li>Pupil Voice evidences disadvantaged pupils use Tier 3 vocabulary from knowledge organisers with understanding and fluency</li> <li>Evidence in books across the curriculum reflects better Tier 3 vocabulary which in turn supports deeper learning in subjects across the curriculum</li> <li>Enrichment and resources have supported vocabulary acquisition</li> </ul>	Pupil Book Study evidences use of Tier 3 by pupils and this is reinforced in books. Vocabulary acquisition has supported progress in Writing for PP pupils.
A higher proportion of disadvantaged pupils are working at age related expectations in Reading.	<ul style="list-style-type: none"> <li>A higher proportion of disadvantaged pupils are working at age related expectations in Reading.</li> <li>Each cohort of disadvantaged pupils make at least expected progress, taking into account SEND progress</li> <li>100% disadvantaged pupils make good progress</li> <li>Pupil voice reflects a love of reading</li> </ul>	Across the school, the percentage disadvantaged pupils at ARE has remained the same with 1 pupil now at GD, this is due to starting points. However, progress was good for disadvantaged. This was slightly more than peers. Progress has been supported by targeted regular readers, and whole class guided reading. Pupil voice reflected that 82% of disadvantaged children had a love of reading. Reading continues to be a focus, whilst the attainment gap has reduced between disadvantaged pupils and their peers, further actions in our strategy aim to reduce it further.

A higher proportion of disadvantaged pupils are working at age related expectations in Writing.	<ul style="list-style-type: none"> <li>• A higher proportion of disadvantaged pupils are working at age related expectations in Writing.</li> <li>• Each cohort of disadvantaged pupils make at least expected progress, taking into account SEND progress</li> <li>• 100% disadvantaged pupils make good progress</li> </ul>	Across the school, 50% of cohorts reflect additional disadvantaged pupils were working at the expected standard in Writing from the previous year with 33% of cohorts remaining the same. Progress was good for disadvantaged pupils. This was in line with peers. All pupils made good progress which has been supported by the successful implementation of the Writing INSET staff experienced led by a member of the LCC Literacy team. Writing continues to be a focus for PPG pupils; the attainment gap is still evident between disadvantaged pupils and peers.
A higher proportion of disadvantaged pupils are working at age related expectations in Maths.	<ul style="list-style-type: none"> <li>• A higher proportion of disadvantaged pupils are working at age related expectations in Maths.</li> <li>• Each cohort of disadvantaged pupils make at least expected progress, taking into account SEND progress</li> <li>• 100% disadvantaged pupils make good progress</li> </ul>	Across the school, all cohorts reflect additional disadvantaged pupils were working at the expected standard in Maths from the previous year. Progress was good for disadvantaged pupils. Maths continues to be a focus for PPG pupils, whilst the attainment gap has reduced between disadvantaged pupils and their peers, further actions in our strategy aim to reduce it further.
