Guidance for Completion

This template is designed to help you to pull together information so that parents of children with Special Educational Needs or Disabilities (SEND) know what support they can expect if their child attends your school/academy.

The SEND Reforms will place a statutory requirement on schools from September 2014 to make information available to parents about how the school supports children and young people with SEN. This information will form the main basis for the school's Local Offer, which has to be published on the school's website. Your website must include the name and contact details of your SENCO and a link to the Local Authority's Local Offer when it becomes available.

The questions in the template are intended as prompts and reflect key issues that parents have told us they would like to know about when deciding which school could best meet their child's needs. You may also wish to consult with your own pupils' parents about what to include in your Local Offer.

In developing your school Local Offer you should be mindful that there is a requirement for a feedback facility to be available as part of the Local Offer and for responses to be given to feedback received.

Please provide a copy of your completed template along with the following completed information by email to IDSS.SENReforms@lancashire.gov.uk

Although the school was built in 1897, due to extensions and modernisation the building is fully wheelchair accessible. To ensure all access for pupils and parents with disabilities the school has ensured that all doorways and entrances to the school are on a single level and wide enough to accommodate a wheelchair if necessary. There are accessible parking spaces available for the public and disabled persons and disabled toilets are available for wheelchair users if the need should arise. Information is available on the school website and a noticeboard in addition to weekly newsletters. Furniture is modern and of a suitable height appropriate to the age group of children being taught in that classroom.

The school has a range of ICT programmes for pupils with SEN in addition to computers and interactive whiteboards installed in every classroom.

What the school provides

Early identification is vital and outside agencies can help advise on the provision of intervention strategies.

The class teacher informs the parents/carers at the earliest opportunity to alert them to concerns and enlist their active help and participation.

The class teacher and the SENCO assess and monitor the children's progress in line with existing school practices.

The SENCO works closely with parents and teachers to plan an appropriate programme of intervention and support.

The assessment of children reflects as far as possible their participation in the whole curriculum of the school.

The class teacher and the SENCO can break down the assessment into smaller steps in order to aid progress and provide detailed and accurate indicators.

Children can be screened for dyslexia and dyscalculia and assessed by outside agencies such as IDSS and Speech and Language. Each class has the benefit of at least one Teaching Assistant.

In the case of children with HI, VI or medical needs specialist support, equipment and training is provided by IDSS, NHs (Diabetes Nurse etc...).

Staff have received First Aid, paediatric First Aid, Asthma and Epipen training. In addition, 1 TA is SEN trained and has been trained to support pupils with ASD. The SENCO is SEN accredited and has a Diploma in SEN.

When sitting SATs tests children with SEN can be supported 1 to 1 (Statement), have timed breaks, be granted additional time, sit tests in a quiet setting in a small group to aid concentration.

The SEN provision map records the type of intervention a pupil is receiving, the duration, pupils' progress throughout the school and records how much progress individuals make following interventions. The Lancashire E- Tracker also tracks progress and provides data monitoring pupils receiving the Pupil Premium as well as pupils with SEN.

Reviewing and Evaluating Outcomes

- What arrangements are in place for review meetings for children with Statements or Education, Health and Care (EHC) Plans?

IEPs are produced at least termly, depending on the circumstance and pupil and the parents/carers are invited to comment on the content of the IEP.

The school operates an Open Door policy with regards to any concerns a parent/carer may have.

Pupils' progress is monitored throughout the school and Pupils with SEN are monitored also on the School's Provision Map.

A teaching assistant supervises each lunch break in addition to lunchtime support staff who also supervise children in the play areas at playtimes and lunch times. The headteacher is also on duty in the dining hall at lunchtimes.

Support is available in every class for at least half of the day but some classes have fulltime adult support if required (Early Years Foundation Stage)

- Which health or therapy services can children access on school premises?

What the school provides

All medicine is recorded in a medicine book along with details of dosage and frequency and parents/carers sign to grant authorisation to the school to administer to their child. Staff who administer the medicine always have a 'witness' signature to ensure that dosages are correct etc. Medicines are kept securely in the staff room.

Although it is the responsibility of the parents/carers to ensure that Epipens and Inhalers are kept up to date, these are sent home at the end of each term to help parents/carers to keep them 'in date'.

Care plans, usually written in consultation with the school nurse, are passed on to the relevant Class Teacher and the master copy is kept in SEN records. All support and teaching staff are kept regularly up to date with First Aid Training to ensure staff are familiar with what action to take in the event of an emergency. In addition, Asthama and Epipen training has been provided by the School Nurse or other NHS professional to ensure the relevant staff are conversant with the appropriate action or medical procedure required.

The school uses the Local Authority Health Consent Form for parents/carers to complete when pupils attend Type B trips.

The School operates an Open Door policy and the headteacher, where possible, is outside school at the beginning and end of each school day.

In addition to a ‘Meet the Teacher’ evening, the school holds 2 parent evenings a year to provide opportunities for parents to discuss the progress of their child. An Annual report is sent out to parents/carers annual regarding their child’s attainment and progress.
