Primary PE and Sports Grant 2018/19

The government is providing additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary schools.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

We will spend the additional funding on improving provision of PE and sport.

As parents are aware, we have provided many varied opportunities for the children to receive major games coaching in recent terms. We also have a range of after school sports activities that are available due to the time generously given by the staff and voluntary helpers also.

Our allocation of £16 000 plus £10 per pupil, (£17,510) will be spent in a variety of ways:

- hiring specialist PE teachers or qualified sports coaches to work with teachers when teaching PE
- supporting and engaging the least active children through new or additional 'Change4Life' clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and or holiday clubs

From September 2013 onwards, we will be held to account over how we spend our additional, ring-fenced funding.

Ofsted will strengthen the coverage of PE and sport so that both schools and inspectors know how sport and PE is assessed in future as part of the school's overall provision.

Tarleton Holy Trinity CE Primary School continues to 'buy into' West Lancashire Sports' Partnership (WLSP) to provide further sporting coaches every week.

For the last three years the school has subscribed to a 1 ½ day School Sport Specialist Package which includes membership to the West Lancashire School Sport Partnership. The cost of this is £8,500 per academic year for the 2017/18 academic year. The package includes 4 sessions of coaching during the full day and two sessions for the half day, along with termly meetings for our PE subject leader. We also receive 2 after school coaching sessions.

The curriculum areas which the WLSP deliver cover:

Net and Wall Games

Gymnastics

Striking and Fielding

Invasion Games

Athletics and

Dance

Bikeability

Outdoor and Adventure

All of the above, with exception to bikeability, include after school clubs for all age ranges of children.

The school has also updated its PE resources in the school hall, maintaining PE mats and replacing equipment such as bats, balls and a bench at a cost of £600.
